A Special Message

We are both happy and sad to announce our retirement – and the closing of our business. After decades of active engagement in civic and business affairs with our friends and colleagues throughout Grant County and the State of Indiana, Maidenbergs Associates and Maidenbergs Real Estate Services are closing the doors. It is time to relax and spend more time with the grandkids.

Founded by the late Frank Maidenbergs, this business was centered on optimism for the future of our community. Frank was a visionary who saw what could be and worked with others to make it happen. Similarly, Frank had a

Fitzgerald named Indiana R

Marion real estate agent honored for her work in Grant County

For the last 25 years, Judy Fitzgerald has served her community in more ways than one.

This year, she was recognized by the state for her work as a Marion Realtor. The Indiana Realtor of the Year award is given to a real estate agent who is not only good at their job, but gives back to the community.

The state honoree is chosen from the local Realtor of the

Year winners. Fitzgerald was given the local award for her work with Maidenberg Real Estate Services earlier this year, and was chosen for the state award in mid-August.

"Of course, these are always a surprise," she said. "I didn't know that I was going to be picked either."

Originally from Marion, she moved to Maryland a brief time. However, she said family and the smaller community lifestyle is what brought her back home.

When she moved back to Marion after living in Maryland, she began applying to jobs all over the city. Though she applied to jobs in differ-

ent areas, she said working at Maidenberg was a natural step for her because her previous job had a lot of similarities.

Fitzgerald has been busy since returning to her hometown. Outside of her commitments to the Realtor association, she volunteers her time to the Court-appointed Special Advocates of Grant County, Grant County Economic Growth Council, Grant County Community Foundation, Main Street Marion, Marion-Grant County Chamber of Commerce, Marion Rotary Club, Citizens Advisory Committee of the Marion Utility Service Board and Services for the Visually and Hearing Impaired,

among others. Executive Director of Grant County, L. dricks, said that she
